Complex in nature, Eureka is dank and resinous with fruity notes ranging all the way from tropical-citrus to dark stone fruit. Eureka rounds out blends and truly shines as a late hop addition. A variety for the "classic hop head," Eureka is one you won't want to miss!

**Hop Highlights:**  
17–19% Alpha  
4.5–6% Beta  
High Total Oil  
Plays well with others
